---

### **Subject**

Walking Town Meeting in North Farm

---

### **Recommendation**

Staff recommends that the Mayor and Council conduct a walking town meeting with North Farm neighborhood.

---

### **Discussion**

The Mayor and Councilmembers will hold their first 2015 walking town meeting with the North Farm Civic Association. Participants will meet at the North Farm Park for a walk through the neighborhood along a route identified by the neighborhood association president (Attachment A). From the North Farm Park (at the intersection of Farm Pond Lane and Farm Haven Drive), the walk will proceed around the entire loop of Farm Haven Drive and conclude back at the North Farm Park.

The Mayor and Councilmembers will be joined by the City Manager, City Clerk, City Attorney and key department heads for a leisurely walk and conversation with the neighborhood president and residents, who are invited to share observations and ask questions along the way.

---

### **Mayor and Council History**

Former Mayors and Councils have held walking town meetings in various City neighborhoods. During the winter 2014 retreat, the current Mayor and Council identified walking town meetings as a priority under the "Good Governance" critical success factor.

---

### **Public Notification and Engagement**

The City Clerk's Office advertised the meeting as required for all Mayor and Council meetings. Notification was sent by the North Farm Civic Association President to the North Farm neighborhood using their neighborhood listserv. Fliers will also be distributed to all North Farm residents.

---

### **Next Steps**

Staff will follow up with the neighborhood on any outstanding issues or questions following the walking town meeting.
